

- 7001-HP REDI-Sensor supersedes 7001.
- 7001-HP provides the same coverage as 7001, plus additional coverage for high pressure applications (Ford Super Duty, Dodge Ram, General Motors HD).
- REDI-Sensor now provides over 85% coverage with three part numbers (7001-HP, 7002, 7004).

**7001-HP sensor****7001-HPR—Rubber valve version of the 7001HP.**
